

RecruitMe – Career Videos

The following is recommended interview questions per video clip. Please take 4 different video clips and feel free to put the questions into your own words.

- Video #1 {
- What is your job title?**
 - How would you describe your day to day activities or your job description?**
 - Optional for intern: Do you have a question to ask about the person's job function.*
- Video #2 {
- Can you show me what you do?** Note: Do not be concerned about the audio of noisy or outdoors. We can edit this portion of the video if needed.
 - Ask the employee to describe the what they do.**
 - Optional for intern: Do you have a question to ask about the person's job function.*
- Video #3 {
- Why did you choose this job or career path?**
 - What is it like to live and work in (insert city, and state)?**
 - Optional for intern: Do you have a question to be added here.*
- Video #4 {
- What education and training does it take for this career and where did you get yours?**
 - Optional for intern: Do you have a question to be added here.*

When you go to upload the video the maximum file size is 500MB about four minutes. If the file size is too big or you have more than four videos (video #2 sometimes require multiple clips) just email these extra files to info@recruitmetoday.com
