

What is RecruitMe?

We are a Video Job Board where employer's can:

“Talk directly to Future Employees”

This is important because candidates want to see:

- ✓ ***Show me where I will be working.***
- ✓ ***Show me who I will be working with and my boss.***
- ✓ ***Show me exactly what I will be doing.***
- ✓ ***Tell me why I should work you?***

Check out an example of a “Employer’s Recruiting Page” and build your brand!
